Mock Assessment Guide

Step 1: Login to the link given below to register for the test prep

<https://testprep.cloudthat.com/login/signup.php>

Fill all the details to register as shown in the screenshot

The screenshot shows the 'New account' registration page on the CloudThat website. The page has a light gray header with the CloudThat logo and a 'Collapse all' link. The main content area is divided into three sections: 'Choose your username and password', 'More details', and 'Required details'. Each section contains input fields for registration details, with red exclamation mark icons indicating required fields. The 'Choose your username and password' section includes fields for 'Username' and 'Password', with a password strength hint below the password field. The 'More details' section includes fields for 'Email address', 'Email (again)', 'First name', 'Surname', 'City/town', and 'Country'. The 'Required details' section includes a 'Mobile No.' field and a checkbox for allowing communication. At the bottom, there are 'Create my new account' and 'Cancel' buttons, and a note about required fields.
